Dear Ms. Stefforia:

I am pleased to inform you the Board of Directors of the Consumers Energy Foundation recently approved a \$10,000 grant to support Charter Township of Comstock's Beautify Comstock Center project. If there are any special instructions for us to mail the grant payment, please let me know as soon as possible. We will plan to send the check to you in the next two to three weeks.

We encourage you to publicize this grant award through a press release, your organization's newsletter, through use of social media channels, or other opportunities that will be most effective to recognize our contribution and your organization. Recognition for this grant should be credited to the Consumers Energy Foundation. Please visit this link to view our media toolkit and to access a sample news release to help you get started: <https://www.consumersenergy.com/~media/ce/documents/foundation/consumers-energy-foundation-grant-recipient-toolkit>.

If you have any media-related questions, please direct them to my colleague Brian Wheeler at brian.wheeler@cmsenergy.com.

We appreciate the opportunity to support your organization and the important programs and services you provide to our community. If you have questions, please don't hesitate to call.

Sincerely,

Carolyn Bloodworth
