Dear Ms. Stefforia:

I am pleased to inform you that the Board of Trustees met on October 6, 2021 and approved a grant in the amount of \$5,000.00 for gateway treatments at five locations where motorists, bicyclists, & pedestrians enter the Comstock Center area. I am enclosing a check payable to your organization representing payment of this grant.

Because of this Foundation's relatively small size and the many requests that we receive, we are unable to fully fund all grant requests. If you do not receive all the funding necessary for your project, we are requesting that you return the granted funds.

We wish you continued success in carrying out your organization's mission.

Very truly yours,

Donald Edgerly  
Secretary/Treasurer
