BOIL WATER ADVISORY Water Infrastructure Repair East H Avenue and 28th Street Area, Comstock Township

Comstock Township, January 23, 2025 – The City of Kalamazoo is in the process of repairing water infrastructure on East H Avenue. The work resulted in a temporary loss of pressure and consequently, a precautionary boil water advisory is being issued in cooperation with the Kalamazoo County Health and Community Services Department for all water intended for drinking or ingestion or any consumptive uses for ONLY City of Kalamazoo Water Customers within the affected area (see provided map), including:

East H Avenue, North 28th Street, and Hunters Run Area – Only City of Kalamazoo Water Customers within the highlighted area of the attached map.

This advisory is precautionary only; there have not been any confirmed tests showing bacteria present in the water main at the location of the infrastructure repair. Initial sampling results will be available within 24 hours of its collection and the final set within 48 hours. It is expected that the advisory will be lifted within 72 hours (January 26).

Municipal water customers in the affected area may use bottled water for consumptive purposes or boil their tap water for two minutes prior to use for drinking or other ingestion. No special precautionary measures are necessary for water used for personal hygiene.
